SKILLS

- **HTML**
- **CSS**
- **jQuery**
- **Bootstrap**

EDUCATION

- **BSCS | Virtual University** (2022-Current)
- **Fsc Medical (Inter) | Govt PST College Kamalia** (2020-2022))
- **Matric | Govt MC High School Kamalia**

EXPERIENCE

- **Front End Developer | Coding Force** (June 2024- Current)

At Coding Force, I specialized in creating responsive web interfaces with HTML, CSS, jQuery, and Bootstrap. I collaborated with designers to transform mockups into functional pages, using Bootstrap for styling and jQuery for enhanced interactivity and usability across all devices.

ACADEMIC PROJECTS

1. Fotawp - Tech Services Agency

Fotawp is a responsive platform for tech services, built with HTML, CSS, and Bootstrap, featuring secure user authentication.

2. Mint - Creative Digital Agency Portfolio

Mint is a creative agency portfolio showcasing projects, designed with jQuery and Bootstrap for a responsive layout.

HOBBIES

- **Fitness** - Staying active and exploring different workout routines to maintain health and wellness.
- **Influencing** - Engaging and inspiring others through content creation, sharing experiences, and connecting with a community.
